

Essex Chair

A refined, solid wood dining chair defined by clean lines and subtle sculpting. The Essex Chair features a gently curved backrest that offers natural support, paired with a tailored seat available in either solid hardwood or upholstered options for added comfort. Its understated profile and balanced proportions make it well-suited for both modern and transitional interiors.

Crafted from solid hardwood, the Essex Chair highlights the integrity of the material through its smooth contours and hand-finished surfaces. The streamlined silhouette and slightly tapered legs create a light, architectural presence while maintaining everyday durability.

This handcrafted dining chair reflects the craftsmanship, material selection, and design precision that define every Vestige Furniture Studio build.
