

Roslyn Dresser

The Roslyn Dresser celebrates the natural beauty of figured hardwood through clean lines, exposed joinery, and thoughtfully balanced proportions. Built with solid wood throughout, the design showcases continuous grain across the top and side panels while highlighting the character and depth unique to figured black walnut.

Featuring exposed finger-jointed drawer construction, soft-close drawer slides, and a sculpted frame base with angled legs, the Roslyn blends traditional craftsmanship with a refined contemporary aesthetic. Brass pull hardware comes standard, with nickel, black, and bronze options available to suit a variety of interiors.
